

## Dub-L-Check Tamper Evident Tape Bags

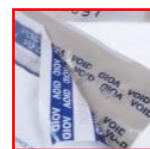

**Dub Harris pioneered the clear tamper evident bag.** This innovative system has gained wide acceptance throughout the industry. We don't cut corner on these bags. They are thicker, tougher, tamper-evident and secure. They are used by major bank vaults, casinos, armored car carriers, retailers and others to transport currency, coin and important documents. They come in many sizes to suit your needs.

### Features:

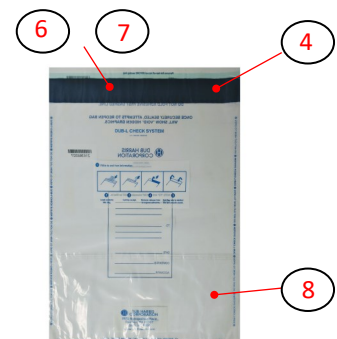

1. Serial number and barcode for easy tracking.
2. Writable surface prompts user with vital information.
3. Dub-L-Check seals running down the sides as added measure to discourage theft.
4. Anti-static release liner does not cling to hands and clothes.
5. Tear-off receipt with identical serial number on bag for easy tracking.
6. High visibility message "VOID" appears when physically tampered.
7. Tampering evidence reveals when exposes to cold temperature up to  $-60^{\circ}\text{F}$ .
